BACKGROUND

This amendment splits an \$8,045,000 roadway reconstruction project on County Road A-12 in Siskiyou County programmed in FY 1999-00 into two projects: the West CR A-12 Project, from I-5 to 9.2 miles east of I-5 near Big Springs for \$4,253,000 and the East CR A-12 Project, from 9.8 miles west of Route 97 near Big Springs to Route 97 for \$3,792,000.

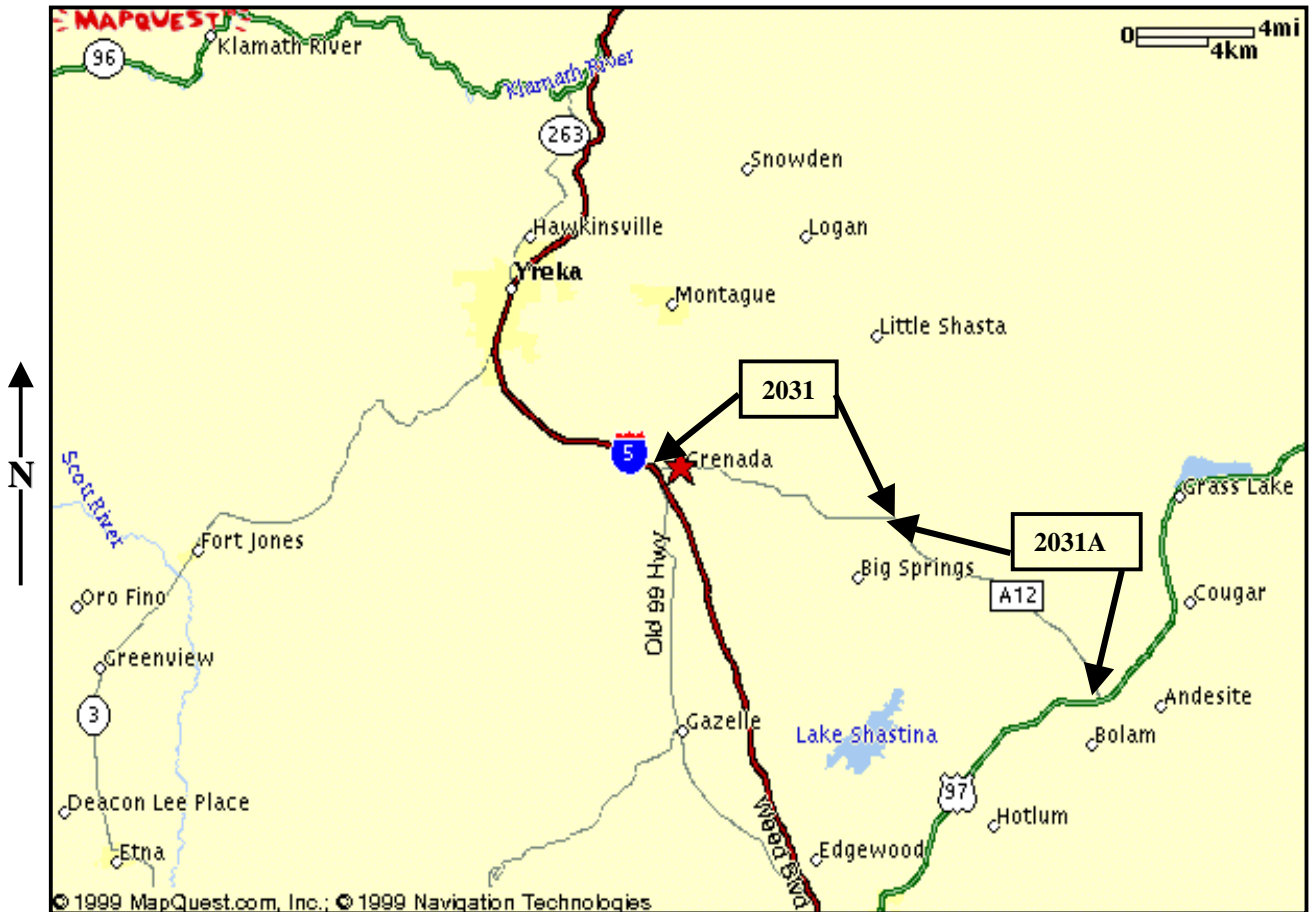

Delays which have occurred in the environmental process (wetlands, biological, and cultural resource issues) have made it necessary to split this project into two segments in order to allow one portion, the East CR A-12 Project, to receive an allocation this year and maintain the summer 2000 construction schedule. The other portion, the West CR A-12 Project, will require more time to complete the environmental process and request an allocation. The County intends to request a twenty month extension at the May CTC Meeting for the West project.

No additional funding is needed.
